

### Updated Procedures For In-Person Worship:

What can I expect when I enter the building for worship? Being greeted by a welcome guide and handed a bulletin. We have stopped receiving names at the door.

What are the COVID-19 practices? Wear a Mask over your mouth and nose. Sit every other pew and keep 6-ft distance, unless you are seated with people with which you are podded.

What is worship like? Congregational singing. When worship leaders are speaking, they can unmask while they are speaking. We will have a choir of 8 singers during worship. Communion of one kind is offered.

What does St. Thomas' expect from you? Please wear your mask properly over your mouth and nose. Please know that we are so glad to see you. Please worship with us online if you are not feeling well. Please contact us if you have been diagnosed with COVID-19.
